

„One Floor”

The One Floor is a modern modular home designed for minimalism enthusiasts. Made of a single module with a building area of 35 m², it provides a small but functional living space. The interior features a separate living room with a kitchen, a bedroom and a bathroom. It is also possible to implement a terrace with a pergola that is a natural extension of the body of the building.

📐 Building area - 35 m²

🏠 Usable area - 28,2 m²
