

## „One Floor XL”

The One Floor XL is a compact but very comfortable modular house designed with a family in mind. A living room with a kitchen, a bathroom, a dressing room and as many as three bedrooms with a total area of 56 m<sup>2</sup> are included on one floor. This ecofriendly wooden house can be used all year round, or as a summer house.

📐 Building area - 70 m<sup>2</sup>

🏠 Usable area - 56 m<sup>2</sup>
